Yellow Jersey Bikes	Lance Parker	The **TechONE System** is perfect for their organization. **100% ROI in less than 6 months** Eco Friendly. Would give them an advantage in their efforts to be "**green**" company wide. The **TWO Component** would be **recommended** to speed up their adoption. It could easily provide them with the ROI they are looking for based on our analysis. They have several factories throughout the world that could easily take advantage of our system. *They are looking for the unique experience that we can offer in the final implementation.*	Chris Huffman
